The deeper a man is in debt the still deeper he would go if anybody would let him.

Robinson of Drumquinn, Ontario, has been troubled for years with indigestion, and recommends Chamberlain's Stomach and Liver Tablets as "the best medicine I ever used." Cholera Infantum Cured.

"Something like two years ago my baby, which was then about a year old, was taken seriously ill with cholera infantum, vomiting and purging profusely," writes J. F. Dempsey of Dempsey, Ala. "I did what I could to relieve her but did her no good, and being very much alarmed about her went for a physician but failed to find one, so came back by Elder Bros. & Carter's store, and Mr. Elder recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. I procured a bottle of it, went home as quickly as possible and gave the baby a dose of the remedy. It relieved her in fifteen minutes and soon cured her entirely." For sale by all dealers.

Washington's Plague Spots.

Life in the low, marshy bottoms of the Potomac, the breeding ground of malaria germs. These germs cause chills, fever and ague, biliousness, jaundice, lassitude, weakness and general debility and bring suffering and death to thousands yearly. But Electric Bitters never fail to destroy them and cure malaria troubles. "They are the best all-round tonic and cure for malaria I ever used," writes R. M. James of Louellen, S. C. They cure stomach, liver, kidney and blood troubles and will prevent typhoid. Try them. 50c. Guaranteed by all druggists.

Cured Hay Fever and Summer Cold A. S. Nusbaum, Batesville, Indiana, writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed only to aggravate it. Fortunately I insisted upon having Foley's Honey and Tar. It quickly cured me. My wife has since used Foley's Honey and Tar with the same success." O. G. Schaefer and Red Cross Drug Co.

29th. Annual New Mexico Fair and Resources Exposition in Albuquerque, October 11 to 16

will have the merit of being new. The management believes that the people have tired of the same old things year after year and has been hunting novelties.

It has found them. One of the most interesting is the Southwestern Marathon, the first long distance endurance race to be run in this part of the country.

Another brand new attraction here will be the Strobel Airship—a real Airship that flies; one that has made flights before thousands of wondering spectators in all parts of the United States and the greatest dirigible balloon ever invented. The immense ship of the air will make daily and nightly flights over the city and the Fair grounds.

Another brand new thing in the line of sports is the game of Pushball. This will be the first time this game has ever been played in the Southwest or for that matter in the whole west, and it promises to be the most exciting innovation in the history of the carnival sports at Albuquerque.

The biggest novelty of the bunch however is President William Howard Taft who visits Albuquerque for the first time during the Fair. A reception to President Taft is being prepared which will smash all records for enthusiastic demonstrations in the Southwest.
